This fundraising project is part of a wider Regeneration Plan for Falmouth Methodist Church.

Phase 1 has included the installation of a Fire Safety Curtain in the foyer enabling safer evacuation of the building.

Improvements to Fire Doors on all levels have been completed.

Also achieved is the Fire Protection work to the Church Office/Vestry

Phase 2 - THE EXCITING PART

- ❖ Modernised welcome area in the Church Foyer
- ❖ A designated Community Café space on the ground floor with new kitchen
- ❖ Upgraded toilet facilities
- ❖ Improved smooth running lift, with full wheel chair access

We invite all who are associated with our church in any way to join us on our Fundraising journey, we would love to welcome you to our events.

Payments by cheque to 'Falmouth Methodist Church'
